

# Maxos fusion

## LL500Z CPE WH

LL500Z | Maxos fusion Acc. - White

Maxos fusion is an adaptable LED trunking system that offers an excellent quality of light while more than halving energy costs compared to fluorescent lamps. For retail applications, a family of linear panels, non-linear modules and a spot portfolio can be smoothly integrated into the track backbone to let your merchandise sparkle and stand out. For industrial applications, the focus is on reducing installation and maintenance cost by using fewer linear panels. With the electrical set-up of up to 13 wires, the freedom to position these fixtures as required and the integration of other services/third-party hardware, the system allows you to reduce ceiling clutter. It can also be easily re-configured to accommodate future lay-out changes. The infrastructure is enabled to integrate sensors for data collection, giving you the opportunity to use insightful granular information to support your business.

### Product data

General Information		Dimensions (Height x Width x Depth)	
Accessory color	White		30 x 68 x 400 mm
Product family code	LL500Z [Maxos fusion Acc.]	Material	Steel
Value ladder	Specification	<b>Approval and Application</b>	
<b>Operating and Electrical</b>		Mech. impact protection code	IK00 [No protection]
Input Voltage	- V	Protection class IEC	-
Line Frequency	- Hz	<b>Product Data</b>	
Input Frequency	- Hz	Full product code	871869638329200
<b>Mechanical and Housing</b>		Order product name	LL500Z CPE WH
Overall length	400 mm	Order code	38329200
Overall width	68 mm	Numerator - Quantity Per Pack	1
Overall height	30 mm	Numerator - Packs per outer box	1
		Material number (12NC)	910925864211
