

Starsense Wireless

LFC7300/00 Starsense Wireless SC Kit

Starsense Wireless is a networked controls system based on two-way wireless communication using the latest in mesh network technology. The system enables individual light points to be controlled remotely and to be managed via online platforms, like CityTouch. Lighting operators can control remotely the outdoor lighting infrastructure setting dimming levels to achieve considerable energy savings and can get real time feedback from the luminaires reducing operating and maintenance costs via accurate scheduling of on-site maintenance service tasks, while improving both the quality and reliability of outdoor lighting.

Product data

Product Data		Numerator – packs per outer box	
Full product code	871829113745000		1
Order product name	LFC7300/00 Starsense Wireless SC Kit	Material no. (12 NC)	913700344403
EAN/UPC – product	8718291137450	Net Weight (Piece)	2.240 kg
Order code	13745000		
SAP numerator – quantity per pack	1
